Sir,

Adverting to Government order No.2884 P.H. dated the 17th December 1934 and in continuation of this office letter dated the 8th March 1935, I have the honour to submit that the council in its Resolution No.23 dated the 15th February 1935 (copy enclosed) made to lie over the question of granting the difference between his present pay and the excess over the maximum of the sanctioned scale of pay

of pay as personal pay to Mr. P. Mascarenhas, the vaccinator of this municipality, as Mr.P.Mascarenhas had been exempted by the Director of Public Health from the required educational qualifications instead of being exempted from the general prescribed qualifications set apart for the post of the first class vaccinator. At the instance of the Municipal Health Officer, Mr. P. Mascarenhas was however subsequently exempted by the Director of Public Health, Madras, from the required qualifications as per his letter No.D 41-E-35, dated the 8th March 1935 with retrospective effect from 18th October 1928. The council in its resolution No.40 dated the 15th April 1935, reconsidered his case and sanctioned the difference of Rs.2/- between his existing pay and the maximum admissible under the above Government order as personal pay subject to the sanction of Government. I request that Government will be pleased to approve of this and permit him to draw Rs.52/- from the date of the operation of the G.O. i.e. from 1st January 1935.

A copy of the resolution of the council sanctioning the personal pay is enclosed.

Your obedient servant,

Commissioner.

23. Read Commissioner's note in respect of Government order No.2884 P. H., dated the 17th December 1934 fixing the designations, grades and the scales of salaries and allowances payable to officers and servants in the Public Health Establishments under the control of the District Board.

The council adopts the designations, grades and scales of salaries for officers and servants in its public Health Establishment suggested in G.O.No.2884 P.H. dated the 17th December 1934 with effect from 1st January 1935.

Midwives Amba Bai and Pramila Menon will be paid at Rs.25/-. The payment of a fixed allowance of Rs.5/- to each of the midwives in service in lieu of a house rent. allowance of Rs.3/- is also sanctioned from the above date.

The case of Mr.P. Mascarenhas will lie over for consideration pending receipt of a detailed report of his case from the Municipal Health Officer. Till then he will be paid Rs.40/- per mensem tentatively.

The pay of the Conservancy Lorry Drivers - V. Gojar and A. Kotian is fixed at Rs.28/- with a personal allowance of Rs.2/- each subject to the sanction of Government and the pay of the 3rd is fixed in the scale of Rs.22-1-28.

Peon Mark Bangera draws Rs.18/- per month at present

i.e.

Rs.2/- more than the pay sanctioned in the G.O. The difference of Rs.2/- will be paid to him as personal pay subject to the sanction of Government.

The council agrees with the Commissioner that no reduction in the pay of menials is necessary or possible as there was alreaay a considerable cut in their pay and privileges very recently and in case any reduction is made in their existing pay it will certainly effect the smooth working of the menial establishment and the Commissioner is authorised to address Government to sanction the pay of the menials which is in excess of maximum fixed by Government in the case of Urine removers, public scavengers, private scavengers, trenching-ground coolies, drain coolies and Lorry coolies.

The Commissioner is also authorised to address Government to retain in service with effect from 1st January 1935 the following staff on the existing scale of pay :-

1.	(1)	Central Birth & Death Registrar on	Rs.30-1-40-2-50
